5 Courses

- **Foundations of Virtual Instruction**
- **Emerging Trends & Technologies in the Virtual K-12 Classroom**
- **Advanced Instructional Strategies in the Virtual Classroom**
- **Performance Assessment in the Virtual Classroom**
- **Virtual Teacher Final Project**

Jul 4, 2026

Dejan Kedar Carlisle-Miller

has successfully completed the online Specialization

Virtual Teacher

The Virtual Teacher Specialization is a five course series that covers best practices for online instruction, student engagement and virtual community building; effective uses of asynchronous and synchronous technologies, social media and other emerging technologies; and data analysis techniques and student performance measurements to individualize instruction in an online or blended environment. The Specialization concludes with a final project. Students must design a comprehensive online or blended module of instruction that incorporates the skills developed throughout the courses.

Cynthia M. Carbajal, M.S.
Instructor
UC Irvine Extension

Racquel C. Stephens
Instructor
UC Irvine Division of Continuing Education

Camille Funk
Director, Instructional Design and Learning Innovation
UC Irvine, Division of Continuing Education

This certificate attests to the learner's completion of an online program delivered via Coursera. It does not constitute formal enrollment at any university or entity and does not itself grant academic credit, grades, or a degree. Institutions or organizations may, at their discretion, recognize this learning toward their own programs or credentials.
